Advent

Zondag 1 dec 2024 - dinsdag 24 dec 2024

De advent is in het christendom de benaming voor de aanlooperperiode naar kerst. De naam advent komt van het Latijnse woord *adventus*, dat komst betekent. In de adventsperiode bereiden christenen zich voor op het kerstfeest: dit is het feest waarbij de geboorte van Jezus wordt herdacht.

L'Avent (du latin *adventus* : avènement, arrivée du Messie) est la période qui couvre quelques semaines précédant Noël, quatre dans la tradition de l'Église latine. Depuis l'instauration de ce temps liturgique, par analogie au Quadragésime du Carême, par le pape Grégoire le Grand, l'Avent représente la période où l'on se prépare à la venue du Christ, c'est-à-dire à sa naissance.
